

CHEEKY CAT SAYINGS

"Whether a black cat means good or bad luck depends on whether you're a human or a mouse."
Max O'Rell

"My cats have won all arguments on the subject of where one can or cannot sharpen claws."
Henning Mankell

"Cats are always on the wrong side of a door. If you let them out, they want to come back in, and if you let them in, they want to go back out."
Yolanda, Florida

"Humanity can be roughly divided into two groups: cat lovers and those who are disadvantaged in life."
Stephen Baker

"A dog sits next to you while you work. A cat sits on top of your work."
Pam Brown

"Cats are dogs with a college education."
Grace Hodgson
