

# UPLIFTING CAT SAYINGS

“If a fish is the movement of water embodied, given shape, then cat is a diagram and pattern of subtle air.” Doris Lessing

“Cats are words with fur. Like words, they roam around people without ever being tamed. Words and cats belong to the race of the intangible.” Erik Orsenna

“They come on quiet paws like messengers of silence, and gently, very gently, they creep into our heart and occupy it forever with all their might.” Eleonore Gualdi

“Cats are the most considerate and attentive companions one could wish for.” Pablo Picasso

“To some blind souls, all cats are much alike. To a cat lover, every cat from the beginning of time has been utterly and amazingly unique.” Jenny de Vries
